MLK BRIDGE VEHICULAR TRAFFIC CLOSURE

Starting on Monday, February 25, 2008 at 9:00 am the Martin Luther King Jr. Bridge will close to traffic for the placement and curing of the final concrete topping.

The closing is expected to continue until 6:00 am on March 10, 2008 when the bridge is expected to reopen to vehicular traffic.

The MLK Bridge Rehabilitation Project is still on schedule to be fully completed by May 31, 2008.
