**MAYOR FINKBEINER ANNOUNCES INCREASE IN 2008 TOLEDO POLICE
CLASS**

Mayor Finkbeiner and Toledo Police Chief Mike Navarre announce the increase in the Toledo Police Class for 2008. Thirty-three (33) men and women will be recruited for the Police class, scheduled to begin December 1. Originally, the class was scheduled to be twenty-five (25).

The decision to increase the amount of officers available for duty next year was made to increase staffing numbers. These new officers will be on the streets on or about June 1, 2009. The candidates still need to complete testing and be City of Toledo residents by the start of the class. Recruits will be notified of their selection yet this week.
